

# CABLEMASTER™

## MODEL CRR50 LP

MANUAL OUT,  
POWER RETRACTION  
FOR YOUR POWER CABLE

*“Extend . . .*

*Retract . . .*

*Relax”*

## Features

- **EASY TO USE** – Simply pull out the amount of power cord you need to make your connection. Push the button and the Cablemaster will quietly retract and store the power cord on the reel.
- **“ZERO EFFORT” PULL-OUT FORCE** – Our unique drive motor mechanism (patent pending) disengages itself when the cable is extended. No heavy pulling!
- **COMPACT STORAGE** – Store 32-feet of 50 amp power cord in the smallest possible area.
- **“EASY-OUT” PLUG** – Our molded power plug comes with an integrated handle which allows you to easily disconnect the power cord from the campsite receptacle.
- **LED POWER INDICATOR** – The Cablemaster™ product line is specifically designed to last! **MOST PLIABLE CORD IN THE INDUSTRY** – Type UL Type SEW jacketing that will stay flexible down to -10° F
- **NO SHARP EDGES** – Sleek, seamless design with no dangerous protruding edges.
- **FULLY TESTED & APPROVED** – UL, CSA
